2009

# CITY OF WHEATLAND

---

## **Welcome to Wheatland!**

Wheatland is a busy community that is home to nearly 800 residents. Within an hour's drive to Clinton, Cedar Rapids, Iowa City or the Quad Cities, Wheatland residents enjoy living in a friendly, supportive small town while easily accessing urban area advantages.

This guide is prepared to showcase the many businesses, organizations, services and clubs that are available to the Wheatland community.

– Wheatland Business Association

---

## **City of Wheatland**

City Hall

## **About the Wheatland Business Association**

The Wheatland Business Association (WBA) is a group consisting of business people from within the Wheatland community. Our mission is to promote and market Wheatland area businesses by encouraging residents to make an active investment in their community by conducting business locally. Since its founding in 2005, the WBA membership and involvement in the community has grown. **Current members are highlighted throughout the pages of the directory.**

Over the past few years, the WBA has been responsible for and continues to sponsor the following community events: Wheatland Business Expo, Easter Egg Hunt, Main Street Trick-or-Treat, Market on Main, Holiday Memory Star Program and Wheatland Welcome Basket Program.

As business people in the community, we believe civic involvement is our responsibility and vital to the success of member-businesses. The WBA is also committed to developing resources that help promote Wheatland area businesses. This is accomplished through quarterly ad sheets inserted in the Wheatland Wire, an association Web site ([www.wheatlandiowa.com](http://www.wheatlandiowa.com)), Wheatland City Services and Business Guide, community brochure and other special projects. The group's most recent project is new Wheatland welcome signs located along Hwy. 30.

Membership is open to all businesses (including home-based businesses) in the Calamus-Wheatland School District. Businesses interested in joining should contact an officer.
